

Agnes Edwards Parking Zone Map

Students residing in Agnes Edwards Hall are required to have a zone 29R/ yellow parking permit every semester the student has a car on campus.

Permit Parking Locations

The zone 29R permit allows parking in zones 29R, 27R and the overflow lot. Zone 29R includes two parking lots on Smith Street behind Agnes Edwards Hall: a large parking lot across Smith St. from the building and, effective 10/8/24, a new smaller asphalt lot is located against the building. Zone 27R consists of the diagonal spaces on the right side of Rex Street between Agnes Edwards Hall and East Lewis Street. The overflow parking area for zone 29R permit holders is the zone 15 gravel lot located off Girard Park Circle. Zone 29R permits allow for parking in these four locations only and not elsewhere on campus.

No Parking Areas

There is a small privately-owned gravel lot behind Agnes Edwards Hall between the new smaller 29R lot and the entrance to the basement parking for employees (see area in red in map). This area is NOT owned by the university and is not included in any UL parking permit. Cars parked in this area must be under contract with the owner to be allowed to park or risk being towed

The 29R lot is adjacent to faculty/staff parking zone 2F (see red line separating lots in graphic). Resident vehicles should not park past the red line in the zone 2F permit area.

Visitor Parking

Visitors to Agnes Edwards Hall should park in the Girard Park Circle Parking Tower at 138 Girard Park Circle. This is an hourly paid parking area on floors 1-3 where payment is made via the ParkMobile app at the time the vehicle is parked. There is no designated visitor parking around Agnes Edwards Hall.
