"Dolls?"

What does it mean to be gay?

Happy!!!

A+

GAY?

I am the boy from the playground

- We need to teach the youth that they are not alone and to embrace their differences.

What is the Caring Corner?

- A group therapy approach to help students deal with their emotions

How can it help young students?

- Creates community
 - Less isolation
 - More focus placed on school

Act now!

- Create inclusive and nurturing environments that empower our youngest learners, our future, and our children to succeed!
