Our Lady of Lourdes Regional Medical Center  
4801 Ambassador Caffery Pkwy  
Lafayette, LA 70508

Dear Hiring Manager,

I am excited to submit my application for a nursing position at Our Lady of Lourdes Medical Center. As a dedicated nursing student at the University of Louisiana at Lafayette, I am eager to contribute my skills and passion for patient care while continuing to grow as a healthcare professional in your facility.

Currently pursuing my Bachelor of Science in Nursing, I have developed a strong foundation in essential nursing practices, including patient care, clinical assessment, and collaborative teamwork. My coursework and clinical rotations have provided me with hands-on experience in providing compassionate and effective care, and my academic achievements, including a GPA of 3.0 and the honor of receiving the Cypress Scholarship, demonstrate my commitment to excellence in the nursing field.

Alongside my academic experience, I have gained valuable skills through my work as a Student Worker at the Picard Center for Childhood Development and as a Sales Associate at CycleBar. These roles have sharpened my ability to communicate effectively with diverse groups of people, work collaboratively with multidisciplinary teams, and manage multiple responsibilities efficiently. I believe these skills, combined with my dedication to providing exceptional patient care, will allow me to make a meaningful contribution to the team at Our Lady of Lourdes.

I am particularly drawn to your hospital's reputation for compassionate care and commitment to the health and well-being of the community. I would be honored to bring my skills, enthusiasm, and strong work ethic to your team, and I look forward to the opportunity to learn from the experienced professionals at Our Lady of Lourdes Medical Center.

Sincerely,

Libby Pelloquin
