

A photograph of a university campus. In the foreground, a brick wall features a large sign that reads "UNIVERSITY OF LOUISIANA LAFAYETTE 1898". Behind the wall is a large, multi-story brick building with a white portico supported by columns. An American flag flies on a tall pole in front of the building. The scene is framed by green trees and a blue sky with light clouds.

# DORMS

Watching TV in the lobby!!

Playing games in the community room!!

Time for laundry!!

Most first year students live in dorms on campus. Here are a few pictures and clips that capture the dorm experience!

# Time for Food!

Using declining balance for Chick-fil-A on campus and vending machines around campus!

Or we use our meal swipes (also part of the meal plan for first years) in the caf!

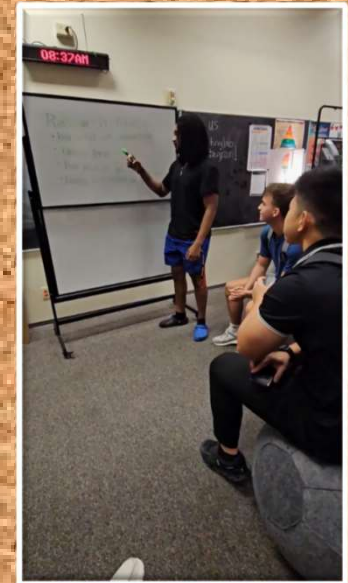

# ULL's Swamp

First semester can be very stressful. Taking a walk around campus can be helpful to calm down and clear your mind.

The swamp on ULL's campus is a great place to unwind and look at the turtles and alligators! It's so peaceful and a great spot to study or hang out with friends.

# Campus Resources!

ULL's campus has tons of resources. The Dupre library is one of my favorite resources because they have printers, study rooms, a writing center, and coffee to keep you awake for studying!

# Time to Leave!

The busses are a good way to get to and from campus if you don't have a car or live off campus!

Well that was fun, but I'm ready to go back home! See y'all later!!
