Student Support Services Veterans

About SSS-V

We provide opportunities for academic development, assist veteran students with basic college requirements, and serve to motivate veteran students toward successful completion of their postsecondary education.

Our goal is to increase the academic standing, college retention, and graduation rates of our participants and to help students make the transition from one level of higher education to the next.

Services

- Tutoring and computer lab
- Academic and career counseling
- Grant aid for eligible participants
- Reading, writing, and research workshops
- Financial aid and literacy workshops
- Math workshops
- Study skills classes

Student Support Services - Veterans Participant Eligibility

Program Services Requirements

- Must be enrolled or accepted for enrollment in a program of postsecondary education at UL Lafayette.
- Low-income, first-generation college students and students with disabilities evidencing academic need are eligible to participate in SSS-V projects.
- Must have 180 active duty days completed.
- Two-thirds of the participants in any SSS program must be either disabled or potential first-generation college students from low-income families.

Grant Aid Requirements

- Must be an active participant in the SSS-V program.
- Must be in your first two years of postsecondary education.
- Must be receiving Federal Pell Grants.
- Grant aid may be offered to students who have completed their first two years of postsecondary education if the institution demonstrates that participants are at high risk of dropping out and have first met the needs of all eligible first and secondyear students.
