

Request to Update Committee Membership Form

To the Student

Your committee is made official upon approval of the Application for Candidacy Form (for master’s students) or Dissertation/Synthesis Project Committee Appointment Form (for doctoral students), both of which includes the signatures of all committee members. We recognize, however, that the membership of your committee may sometimes change for a variety of reasons after this form has been approved by the Graduate School. This request should be used to update and/or finalize your committee.

Please remember that, according to the UL Lafayette Catalog, all committees must be chaired by a [member of the UL Graduate Faculty](#) (and, for doctoral students, a faculty member with Level 2 membership) and must include at least three members of the UL Graduate Faculty.
