Upon approval of these revisions within the Graduate Council Handbook by the Provost, the Fellowships committee will participate in the selection of the doctoral student research and travel awards; several University awards (Outstanding GTA and Instructor of Record award); review/selection of the dissertation completion fellowship awards; and provide support to the University Fellows Community.

Graduate Faculty Membership – Patricia Lanier:

Rabalais shared a report that was submitted by P. Lanier, not present, from the Graduate Faculty Membership Committee. The report detailed 67 graduate faculty applications that did not require Committee review as all three independent review entities (College Dean, Department Head, and College Peer Review Committee) were in agreement with recommendation for appointment at the level requested by the individual applicants. The report also detailed 21 graduate faculty applications that required review by the Graduate Faculty Membership Committee. After discussing the report, it was discovered that there was one correction needed to update a department name related to a specific faculty member. A motion was made to accept all recommendations on the report including the correction mentioned, with the understanding that the Graduate School will make the correction.
