

The image shows a book cover with a black and white patterned background. The pattern consists of irregular, organic shapes that resemble a dense, abstract forest or a complex, repeating motif. A central white label with a black border is positioned in the middle of the cover. The label contains the text "ULL PASSPORT" and "PRESENTATION" in a simple, sans-serif font, separated by two horizontal lines.

PRESENTATION

HANDSHAKE JOB APP

Each group member downloaded and created accounts with the Handshake app. This is a very useful and amazing app for college students to use and get familiar with. We are excited to find what jobs interest us and hopefully get use out of it!

DR. EDWIN L. STEPHIENS STATUE

Although we all could not visit the Dr. Stephens statue together, it was still fun to learn about how he was an important figure for ULL in the early 1900's.

GROUP STUDY IN THE LIBRARY

This was such a fun experience for our group to do together. We got to know each other a little bit more, and were productive in studying!

CAREER FAIR (ALL MAJORS)

Attending this career fair was such a good and fun opportunity for us to go to. This career fair consisted of so many jobs and employers that we got to meet. It is fun to find the things that we are all interested in, then can discuss them as a group. There were so many people to talk to. There was the opportunity to get your own professional headshot, however we did not do that since everyone was dressed up and we were not.

THE CAREER CLOSET

Visiting the Career Closet was an interesting experience for us. You are able to bring free clothes home with you as well as food supplies which is great for college students who are in need.

ULL FASHION SHOW- HOCO WEEK

For our sororities, we all attended and supported the contestants in the ULL Fashion Show.

This was so fun and funny to watch. It was interesting to see everyone's different outfits!

SELF DEFENSE CLASS AT BITTLE HALL

This was such a good and fun experience for our class. It is so important to know how to protect yourself when you may be in danger, especially young vulnerable college kids. Thanks UL Police Department!
