# Design Day

**From Maddie, "For design day I helped tour perspective students and their parents around Fletcher Hall (School of Architecture and Design). During that tour I spoke about my experience as a first-year architecture student along with what we are currently learning. The objective of design day was to learn and teach about what we do in the three disciplines of design, architecture, industrial design, and interior design."**

MY FAVORITE ACTIVITY WOULD BE THE BOAT DAY BECAUSE  
IT WAS NICE TO BE ON THE WATER WITH MY FRIENDS AND  
CREATE NEW FRIENDSHIPS. I AM GRATEFUL NOAH CAME UP  
WITH THE IDEA AND OFFERED TO TAKE US ON HIS BOAT.

# **MADDIE G**

MY FAVORITE ACTIVITY WAS DEFINITELY GOING OUT ON THE BOAT. I HAD NEVER BEEN OUT ON THE VERMILLION RIVER BEFORE AND HAD ONLY BEEN ON BIG BOATS BEFORE. I ENJOYED SPENDING AN HOUR OUT ON THE WATER AND MAKING CLOSER FRIENDSHIPS WITH MY GROUP MEMBERS.

THANK YOU CAPTAIN NOAH.

MY FAVORITE ACTIVITY WAS THE SELF-DEFENSE CLASS. I LEARNED SO MUCH THAT I DID NOT KNOW BEFORE. IT WAS A GOOD EXPERIENCE FOR EVERYONE THERE AND I AM SURE WE ALL LEARNED SO MUCH. IT WAS A NICE ACTIVITY ESPECIALLY FOR COLLEGE STUDENTS. I THINK IT IS IMPORTANT FOR EVERYONE TO KNOW WHAT TO DO IN CERTAIN SITUATIONS. AND IT WAS FUN!

One of my favorite activities was the self-defense class.

At first, I thought it would've been something I would not enjoy. I enjoyed the class and the activities that we did. I also found it super interesting the facts and different knowledge that the instructors shared about crimes. The class was super fun, the instructors made the class interesting, and it was fun to interact and try new moves.

Another activity that I really enjoyed was the mocktail assignment. It was super fun finding and making a mocktail. It was also a super interesting and eye-opening to learn about the affects alcohol has on the body.

## **NOAH D.**

I thoroughly enjoyed all of the activities and getting to spend time with my classmates. My favorite activity was going out on the boat. I'm glad I got to spend quality time making new friendships while sharing my love for the outdoors with others!

My favorite thing that we did during class was the “My Story” presentations that everyone did.

It was a simple activity that allowed everyone to express themselves in their own way.

Also, it was cool to hear everyones background and story.
