

The Graduate School

Dissertation Committee Appointment Form Doctor of Education in Educational Leadership (Ed.D.)

To the Student

The Ed.D. Dissertation Committee is responsible for supervising the preparation of the student's dissertation, for scheduling and administering the final examinations, and for forwarding the Final Report to the Dean of the Graduate School. The committee is generally comprised of three to five members and must include at least two members of the UL Lafayette Graduate Faculty and one member of the Southeastern Louisiana University Graduate Faculty. In all cases, the committee must be chaired by a faculty member who possesses Level 2 membership on the UL Lafayette Graduate Faculty; this includes adjunct faculty who are members of the UL Lafayette Graduate Faculty. Committee members from outside the UL Lafayette faculty may serve as outside members of the dissertation committee with the privilege of voting and signing the dissertation approval page; these members shall be chosen by the committee based upon their qualifications. Finally, the committee must include adequate representation from the candidate's major field and secondary field (if any).
