

Agnes Edwards Parking Zone Map

Students residing in Agnes Edwards Hall are required to have a zone 29R/ yellow parking permit every semester the student has a car on campus.

Permit Parking Locations

The zone 29R permit allows parking in zones 29R, 27R and the overflow lot. Zone 29R is the parking lot across Smith Street behind Agnes Edwards Hall. Zone 27R consists of the diagonal spaces on the right side of Rex Street between Agnes Edwards Hall and East Lewis Street. The overflow parking area for zone 29R permit holders is the zone 15 gravel lot located off Girard Park Circle. Zone 29R permits allow for parking in these three locations only and not elsewhere on campus.

No Parking Areas

There is a small gravel lot immediately behind Agnes Edwards Hall that is privately owned and not residential parking. Cars parked in this area must be under contract with the owner to be allowed to park.

The paved portion of zone 15 requires a separate permit than a zone 29R permit. This area is not approved parking for vehicles linked to only a zone 29R permit.

The 29R lot is adjacent to faculty/staff parking zone 2F (see red line separating lots in graphic). Resident vehicles should not park past the red line in the zone 2F permit area.

This is an hourly paid parking area on floors 1-3 where payment is made via the ParkMobile app at the time the vehicle is parked. There is no designated visitor parking around Agnes Edwards Hall.
